www.amandakeyt.com

SUPPLIES:

Cardstock or other Heavy Paper

Printer/Color Ink

X-acto Knife or Scissors

Hot glue gun (suggested) or other Craft glue

Wooden dowels (suggested), long lollipop sticks, wooden skewers or pencils

HOW TO:

1. Print the props on heavy paper using a colored printer.

Notes: All pages are designed to print on 8.5x11 paper size.

Print preview before printing.

Due to printer/computer differences you may need to select the "fit to page" option before printing so no cropping occurs.

Actual colors may vary due to printer/computer differences.

2. Cut out the props.

3. Place the sticks along the back edge of the prop and adhere them using craft glue.

Notes: Make sure the tops of the sticks don't show.

When using skewers glue the pointy end to the prop.

4. Let the glue dry completely then
